

# NATTHAPHON SRILAWA

Career growth and developing expertise in my field are key objectives for me. Additionally, I aim to contribute to the organization's growth by being a frontline employee who can build and enhance trust in my role.

Moreover, I prioritize achieving a healthy work-life balance. After researching and reading reviews about the organizational atmosphere, I discovered that this company truly values its employees. This commitment to employee well-being makes many people proud and happy to be part of the organization. This is the reason I am determined and eager to join your team.
