

Our ref. OP.S. 007/2553

June 22, 2010

Subject : The impact of insurance on property by the unrest situation (Additional)

Attention : The President The Stock Exchange of Thailand

The Navakij Insurance Public Company Limited (“company”) would like to further inform the loss of our insurance on property from the unrest situation in May 2010. The survey of loss from 20 policies which have insurance on the property with company found that most of such policies do not cover Terrorism and the preliminary loss has been estimated at approximately 39 Million Baht. There is only one of such policy which has insurance against terrorism coverage and the loss has been estimated at approximately 800,000 Baht.

However, the company pleased to cooperate with the government to help and heal suffering to individual insured and is considered the assist to the individual insured appropriately under the position will have no significant effect the company’s financial status and business operations that the company must consider the interests of the stakeholders, especially shareholders of the company.

Please be informed accordingly,

Yours faithfully,

The Navakij Insurance Public Company Limited

(Mr. Nipol T.Jeerawong)
Chairman of the Executive Board
