Dear President
The Stock Exchange of Thailand

Re: Impact of the Flood

According to the current flood situation which effect in various areas of the country, caused the loss of much property. This is resulting to 70 insured of the Company have been damaged, equal to 2.12% insurance proportion of the sum insured. At the moment the Company is amidst the gathering of information in order to estimate the exactly damage.

The Company has place risk management in underwriting both of local and oversea reinsurer including purchasing of Excess of Loss insurance. It's expected that there will be net incurred loss approximately 20-30 million baht which would not be effect the performance, liquidity and capital funds of the Company.

Please be informed accordingly.

Sincerely Yours,

(Signed) *Pitiphong Bisalputra*

(Mr. Pitiphong Bisalputra)

President
