ABOUT ME

I am a student of economics with a keen interest in life insurance. My goal is to gain a comprehensive understanding of the industry's operations, including risk assessment, premium calculation and customer management. This internship presents an invaluable opportunity for me to enhance my skills and prepare for a successful career in the insurance field.

EDUCATION

Thammasat University 2022 – Present
Faculty of Economics

Hatyaiwittayalai School 2014 – 2020
High School (Science–Math)

EXPERIENCE

Thammasat Start Up Contest 2024

As a curator, my role is to coordinate with speakers, mentors, and judges by sending out invitations for them to attend the event. Additionally, I will be responsible for managing the entire competition period and facilitating on the day of the event to ensure smooth operations.

J–Mat Award 33

Apply the knowledge gained to market analysis, planning, designing and developing marketing strategies that are appropriate for the target group.

Thammasat Open House 2024

Provide guidance and explain information about the faculty to prospective students to help them understand the curriculum and preparation for university studies.
