EXPERIENCE

Marine Underwriter Insurance - Business Broker Bangkok Insurance Co., Ltd,

2019 - Present:

- Analyze and underwrite marine insurance applications, including Cargo, Inland transit, and Carrier's liabilities coverage.
- Arrange Underwriting information, review proposals, and loss records from insured history to provide appropriate coverage and premium.
- Stay updated on industry trends, regulatory changes, including sanction risk, and emerging risks in the marine sector to inform underwriting decisions.
- Evaluate the type of vessel, vessel condition, route for transportation, and final destination to analyze risks.
- Allocate the limit of liabilities and accumulated risks per conveyance.
- Monitor loss ratio to adjust conditions and premiums to ensure each account maintains underwriting profit.
- Coordinated with other divisions and internal teams to support and encourage colleagues delivering excellent service to clients.
- Maintain and develop strong relationships with brokers, providing updates on promotions and packages
- Issue policies and endorsements accurately and in a timely manner.
